**Summary of Proceedings:** In the opening, the chairman Mr. Syl Fannah thanked and welcomed everyone present to the meeting of the pillar-2 Working Group. He expressed his disappointment for the low attendance of key MDAs operating within the sector and suggested that DACO should discuss this issue with the VP. On this note, the following recommendations were made:

- VP should send a letter to all MDAs expressing the lack of commitment of members with regards the PWG meetings. This letter should indicate a specific timeline against which all SWGs must have completed their final drafts for presentation and discussion at the pillar meetings.
- The sequence of submission should be of the form; Private Sector, Youth & Sports, Infrastructure Development, Agriculture and Food Security,
- When the timeline is set for all SWGs, DACO should send a representative to their meetings to assist them in the preparation of their final drafts to meet the set target.
